Reading:

Dear Long,

How are you?

We had a really unusual start to our vacation! My family and I were on a bus to Vung Tau. It was a long journey but it was comfortable and we were happy. Suddenly, we heard a bang. The bus stopped and the driver couldn't start it again.

I was disappointed and bored, so my mom and dad said we could walk to the nearest town and meet the bus there when it started again. It was night and we could see lights in the town on the road. It looked like a festival! The other people on the bus walked with us!

When we got to the town, there was a band playing and people were dancing on a stage. There were lots of beautiful lights decorating the street. All the people in the town said, "Hello", when they saw all of us. We had some really fresh fruit and they gave us some drinks. I talked to a boy who was ten years old, like me. He was really friendly. We all listened to the band together. Then the bus came into the town. The driver also ate some food before we started our travel again to Vung Tau. We had a fantastic evening and it was a great start to our vacation!
