

## Agenda - Maths and Science Week 1

Today's lesson.

We began a new unit about plants.

We learned about Science investigations.

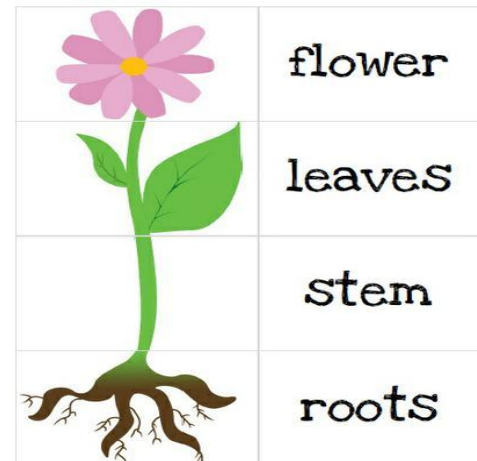

**Remember!**

Plants are alive!

They have four main parts ----->

Each part has a different **function**.

**Key vocabulary:** affect, fair test, flower, function, grow (v.), growth (n.), investigation, leaf, leaves, method, part, plant, prediction, root, seed, soil, stem, variable (= factor = thing).
