**Viết 1 câu phù hợp với hình ảnh sau:**

A blank sheet of graph paper featuring a uniform grid of small squares. The grid consists of 20 columns and 15 rows of squares. A vertical line runs down the center, separating the first 10 columns from the last 10 columns. The entire grid is composed of thin blue lines. There are two black dots plotted on the grid: one at the intersection of the 2nd column and 1st row from the top-left corner, and another at the intersection of the 7th column and 8th row from the top-left corner.
