A large, stylized number 9 is drawn on a coordinate grid. The grid has a horizontal x-axis and a vertical y-axis intersecting at the origin (0,0). The number 9 is positioned in the first quadrant, with its top loop extending into the second quadrant. The grid lines are spaced at intervals of 1 unit, with labels 1 through 9 visible on both axes.

A large, stylized number 9 is drawn on a coordinate grid. The grid has a horizontal x-axis and a vertical y-axis intersecting at the origin (0,0). The number 9 is positioned such that its top loop is in the upper-left quadrant and its stem extends down into the lower-left quadrant, ending near the x-axis. The number is drawn with a thick, dark line.

A woman and four children are in a room, decorating a small tree. The woman, wearing a yellow shirt and brown skirt, is standing and reaching up to hang yellow flowers on the tree. Four children, two boys and two girls, are also participating. One boy is standing to the left, another boy to the right, and two girls in the foreground. They are all wearing white shirts and blue skirts or shorts. The tree is decorated with yellow flowers and red tassels. A box of decorations is on the floor to the left. The tree is placed on a pink and white striped base. The room has a white wall with a framed picture of a potted plant.
