

# My Tet holiday

Last month was the Tet holiday. All of my family came to my hometown to celebrate together. My hometown, Da Nang, is in the middle of Viet Nam. My cousins traveled from Ho Chi Minh City by plane!

Before Tet, we cleaned our house to prepare for the holiday. On New Year's Eve, there was a party at my grandparents' house. They live at the top of a hill. Their house is very beautiful. There are orange trees and lots of flowers.

On the first day of Tet, my brother and I dressed in new clothes, and my grandparents gave us lucky money. We stayed at home with our family. We ate *banh chung* and fruit. We played lots of games.

We visited our friends on the second day of Tet. They had new clothes and lucky money, too! We walked along the beach. We laughed and talked together all day.

On the third day, we took gifts to our teachers. My teacher's house is between the beach and the town. I gave her flowers and fruit. My teacher was happy to see me and said, "Happy New Year!"

My holiday was very happy. I love Tet!
