

## Remember:

1) Write if these magnets will **attract** or **repel**:

**repel**

**attract**

**attract**

**repel**

**attract**

## Answers

2) Circle the things that are magnetic:

metal whistle

shell

bottle

ball

crayon

fish hook

book

paper clip

crew

metal spoon

alphabet block

But not  
all metals  
are  
magnetic.

Why are those things magnetic?

Because they are made from metals/ iron/ steel.
