People all over the world are (1) different. Some people are friendly, some people are (2)_____. Some are young, and others are (3)_____. Some things we cannot change, for example if we are (4)_____ or short. Some things we can choose, for example if our hair is long or (5)_____. But the most important thing is to be (6)_____ with the the person we are. Being different makes us special!
