Dear Aunt Emily,

How are you? I hope you are well. I want to tell you about my summer vacation.

This summer, we stayed in Viet Nam and traveled to some different places. We went to Da Nang and then we went to Hue. We also went to Son Doong Cave. That was my favorite day of the vacation.

Son Doong Cave was very interesting! It's the biggest cave in Viet Nam and the most beautiful one, I think. A farmer found the cave in 1991 and some scientists went there in 1999. They were very surprised to find a river and a jungle inside the cave!

We didn't go in the cave. It's very difficult to visit the cave. You need to climb and you can get very dirty. Now, I want to start climbing lessons. Next time I'm going to go into the Son Doong Cave!

See you soon.

Love from,

Lam
